All Aboard For 'A Night Over There'

Plans Complete For Legion Affair at Merion Tribute House Wednesday.

The election now is over and the welkin has been rent, with the decks all cleared for the next and quite the most important thing on the docket, no less, of course, than "A Night Over There," the Legion's big affair, a night free from care, at the Merion Tribute House this very next Wednesday evening, May 28, 1930, and what a splendid time it is going to be!

Nevertheless, if too much is said, if too much is read, it might appear that we were being unduly urged to go, and that would not seem to be the kindly keynote to strike when lofty levels are sought, particularly in this month of memories, and so the case should rest with a frank and open-hearted call to co-operate, to do the best we can in achieving the result desired, and to demonstrate that, after all, dry, moist or wet, there are a certain few things at least where not a particle of difference exists between the hometown folks.

And our convictions appear so much more impressive (yes, indeed, they do!) when they are supported by a bit of our cash, and so if it has to be that we cannot possibly be on hand for the eventful evening, we shall, without a doubt, do the next best thing and remit, anyhow, for the tickets which have been sent us.

Mr. Howard, the red-headed realtor, continues to be the gentleman to whom payment should be made, and who better than our erstwhile apothecary can accord the fine appreciation which is the due of all those who contribute to the success which ought to be?

It should not be that this good-spirited occasion of excellent purpose shall have to manage to get along without us, nor any part of us.

THE SPECTATOR.

Narberth and Merion Post Offices Have Positions Open

A Civil Service examination will be held for clerk-carrier positions at the Merion station and Narberth Post offices on June 21, 1930. Receipt of applications will close June 6.

Applications for this examination must be made on the prescribed form, which with necessary instructions may be obtained from the commission's local representatives, Miss Annie H. Preston, at the Merion station Post Office, or Wayne D. Burnside, at the Narberth Post Office.

Applicants for this position should be able to drive a truck, and be willing to accept temporary work at short notice.

Memorial Sunday Church Service

The annual Memorial Day Sunday Church Service will be held in the auditorium of the Narberth Theatre this Sunday night at 7:45.

The Harold D. Speakman Post, No. 356, American Legion, of Narberth, has extended invitations to the other Legion Posts on the Main Line and throughout the Eighth and Ninth District.

The people of this community are to have an opportunity of listening to a very forceful and eloquent speaker. We have been very fortunate in obtaining for the speaker of the evening the "Flying Parson," Rev. Gill Robb Wilson, of Trenton, N. J., Past National Chaplain of the American Legion.

There will be special music furnished by the "Trumpeters," boys from Norristown. They have been playing at church services for several years and it will be a treat to this community to hear them.

An invitation is extended to all the people of this community to come out Sunday night and join with the American Legion in this service.

Large Wet Vote Polled in Borough Though Grundy and Pinchot Win Locally

L. M. Again Captures P. I. A. A. District Meet

Easton seems to be a lucky place for Maroon teams. Coach Albert Adam's track squad captured the P. I. A. A. district meet there last Saturday, for Lower Merion's third conquest of the year in Lafayette College's home town. The suburban champions won from a strong field by placing in the events a good all-round aggregation. They were especially strong in the field events with Dick Sigel, Perk Scott and Andy McLaughlin going great in the weights, and George Hunsell, Dave Ridge, John Pennypacker, Jack Carver and Dave Meeks strong in the jumps.

Lower Merion came out 17½ points ahead of Norristown High, the runner up. The Main Liners finished with a total of 45½ points.

Dick Sigel furnished the outstanding performance of the afternoon when he hurled the discus for a new P. I. A. A. record of 127 feet, 1½ inches. Perk Scott, star football man, won the javelin throw with a heave of 152 feet and some inches. Ernie Parks also turned in a fine individual performance by leading the field in the 880, in the time of 2 minutes, 8 seconds.

Stites Scores Thru Overwhelming Victory of Ludlow Over Boyd and Evans

Although Grundy carried only one district in the borough, No. 2, at Tuesday's primaries, his plurality was sufficient there to counteract the Bohlen votes in the other two Narberth districts and enable him to carry the borough. Davis, the winner in the U. S. senatorial contest in the state, was only a poor third in the borough.

The strength of the "wet" vote was perhaps the outstanding surprise of the election. Bohlen carried the first and third districts, while his teammate and gubernatorial candidate, Phillips, likewise carried two districts, but lost out through the heavy Pinchot vote in the second district. Bohlen polled a total of 389 votes to Grundy's 442, while Phillips received 393, as against Pinchot's 447.

The huge vote piled up by Benjamin H. Ludlow, Ardmore, in the state senatorial race, over his organization and wet opponents gave evidence of the influence of the Hon. Fletcher W. Stites and his workers in borough politics. The vote: Ludlow, 685; Boyd, 183; Evans, 189.

Mrs. C. H. Woolmington Re-elected President of Parent-Teacher Association at May Meeting

Mrs. C. H. Woolmington was unanimously re-elected president of the Narberth Parent-Teacher Association meeting on Monday evening. Other officers elected were: First vice president, Mrs. Caryl Starr; second vice president, Miss Florence Bishop; secretary, Mrs. B. C. Tyson; treasurer, Mrs. J. H. Patton.

The meeting was opened by the singing of the charming cantata, "Feather Top," by the seventh grade girls under the direction of Miss Fricke. The performance was very pleasing and the pantomime excellent.

Miss Kathryn Horning was at the piano.

The following report was submitted by the president, Mrs. C. H. Woolmington:

"To the Members and Friends of the Narberth Parent-Teacher Association:

"As we are about to complete the fourth year of parent-teacher work in our community, it might be well for us to review our past season's work and see just how we can improve during the coming year."

Holy Trinity Lutheran Church Celebrates Fifth Anniversary of Dedication on Sunday

On Sunday, May 25, at 11:00 A. M., the Fifth Anniversary of the Dedication of Holy Trinity Lutheran Church, Narberth, will be celebrated. Professor H. D. Hoover, of the Lutheran Theological Seminary at Gettysburg, will deliver the sermon. It is also expected that Rev. S. D. Daugherty, D. D., Superintendent of Missions of the East Pennsylvania Synod and founder of Holy Trinity, will be present to bring greetings. That it will be a time for rejoicing is indicated by the happy history since the organization of the Church in January, 1922.

Immediately following the war Narberth experienced a great increase in population resulting in a wonderful building boom. Among these new people who were moving from the city to the suburbs, and others locating here after being transferred by the P. R. R. from Altoona and Pittsburgh, a great number of Lutherans were found which warranted and eventually led, due to the interest of several local Lutherans, to the organization of what was to be known as "Holy Trinity Evangelical Lutheran Church of Narberth, Pennsylvania." Their first and only place of meeting until they built for themselves their present edifice was the old Y. M. C. A. auditorium. Here the original 31 Charter Members grew to be 134 in number at the time of the dedication of the Church; here the Bible School was organized on March 5, 1922; here a Ladies' Aid, a Missionary Society, a Senior Luther League came into existence.

Through the untiring efforts of the Rev. Milton McLinn, who became the pastor of Holy Trinity in January, 1923, and his loyal associates who saw the need for larger quarters, a movement for a new church home was begun in the fall of 1923, resulting in the usual procedure of appointing a Committee on Ways and Means to study the problem, financial and otherwise. This committee reported back several months later whereupon a lot was bought, an architect procured, plans drawn up and approved, and work begun. September 7, 1924, Rev. McLinn laid the cornerstone, and on May 24, 1925, the church was dedicated with services appropriate to such an occasion.

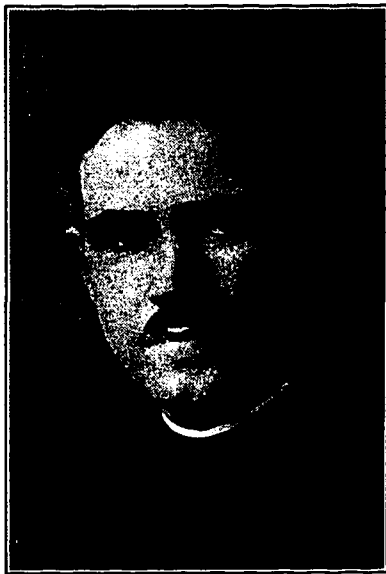

The happy congregation prospered in their new home. The choir came into its own; Junior and Intermediate Luther Leagues were organized; all the older organizations seemed to take on a new life. Things were going along very smoothly until Dr. McLinn's health began to fail in the early summer of 1926. With the hope that an extended vacation would restore his health and enable him to return to his duties in the fall, the congregation granted him a leave of absence for the summer during which time the congregation was supplied by Cletus A. Senft, then a student in his senior year at Gettysburg Seminary. Even though Dr. McLinn did return to his duties in the fall he had not fully recovered. Finally in January, 1927, he was compelled to lay down his much loved work. With a proper recognition of the services he had rendered and regrets that his health would not permit further service, his resignation was accepted.

The choice of the congregation, and at the recommendation of the committee to whom the task had been assigned to procure a new pastor, fell upon the Rev. Senft, who had served them the previous summer. Until the Rev. Senft, who had accepted the call extended, would arrive on the field at the close of his course in the Seminary, Rev. Robert J. Wolf, Intermediate Secretary of the Luther League of America, served the congregation very agreeably.

Rev. Senft was duly graduated from Seminary the latter part of May and entered upon his duties as pastor of Holy Trinity, June 1st. The President of Synod formally installed him as pastor on the 13th of November following.

The plans which were considered for quite some time prior to Pastor Senft's coming relative to the purchase of an

organ, were concluded early in the fall, and the contract let to Geo. Kilgen and Sons, organ builders of St. Louis, for an organ of suitable qualifications. This organ, subsequently dedicated on Dec. 3, 1927, has filled a long felt need and has added much to the Church services. With the installation of the organ the incentive to better music at the services has resulted in great advances along this line.

The formation of a Committee of Parish Workers for the purpose of visitation among the members and friends of the congregation; the start-

ing of a monthly parish paper, "The Lutheran Messenger," for the dissemination of information to the congregation; the organization of the Council under three sub-Boards, Elders, Deacons, and Trustees, are a few of the developments the past five years show.

It is also noted that of the 298 persons who have come into the fellowship with Holy Trinity 220 remain active. The Bible School enrollment is 150, Holy Trinity's pastors have baptised 42 babies, married 15 couples, and officiated at 15 burials.

Mr. L. G. Andrews, of Rosedale Road, was on a business trip to Chicago last week. From there he flew to Detroit and returned home on Thursday.

Strawberry Festival

The Penn Wynne Library Association will hold their annual Strawberry Festival at the Library, corner of Manoa and Henley Roads, on Tuesday, June 3, beginning at four o'clock. Plans have been made for several novel booths and everybody is welcome. The association is working to build up a complete library. At the present time there are over 600 volumes which have been obtained in little more than a year. The association hopes in another year to double this number.

Maroon Baseball Team

Trims Abington 4-1

For the second time this season Lower Merion's baseball candidates gave the Abington nine a shellacking in the grand old national sport. Playing on the home soil, coach Warren Cocklin's Foxes played the best game of the year by running up a 4-to-1 victory.

Not a single miscue spoiled the perfect performance of the home clan, and Keith Parks, though not in his best humor, turned back the enemy with five hits and only two or three bases on balls. He was seldom in danger and as the game progressed his pitching improved. He struck out the last man in the ninth inning with a teammate on second base.

Henry Gane, speedy red head from Bryn Mawr, crashed out a double and a home run to contribute heavily to the scoring. His throwing to the bases was deadly, and this fact kept the bags somewhat clear of enemy players.

Seaver Rose played a nice game at the initial hassock in the absence of Warren Lockwood, who was off getting his letter in tennis. He is captain of the tennis team. Seaver crashed out a long double in the late innings to place himself in scoring position.

Roy Williams continued his fine play at shortstop and Bob Odiorne turned in a sparkling catch in right field.

This victory put Abington and Upper Darby in a tie for first place and boosted Lower Merion a bit in the percentage columns.

Narberth Theatre Offers 'Anna Christie' and Three Musical Comedies

"Hit the Deck," the musical comedy with Jack Oakie, Polly Walker and others, playing at the Narberth Theatre this week-end, is based on the stage hit of the same name. The "talkie" is described as a "wow." A Mickey Mouse talking comedy accompanies the feature.

Greta Garbo's first all-talking picture, in which she wins new screen laurels, is "Anna Christie," based on Eugene O'Neill's famous play. Superb photography, direction and characterization go to make it one of the season's most acclaimed dramas. It is scheduled for the Narberth Theatre next Monday and Tuesday; and as an added feature, there will be given a "talkie" version of Tchaikovsky's "Overture of 1812," based on historic Russian events of the Napoleonic era.

Narberth's attraction for next Wednesday and Thursday is "Putting on the Ritz"—with Harry Richman—which has been described as one of the most snappy and tuneful music shows of the season. "Let's Go Places," another fun-fest, is scheduled for presentation the end of next week.

ing the year to come.

"Starting out last September with a very cordial meeting at which our teachers and parents met for the purpose of knowing each other better, we have continued throughout the year with programs full to the brim of things which were of keen interest to parents and teachers. We feel that these meetings have been the means of establishing a most splendid relationship between our school and homes, which is, of course, our principal purpose.

"We wish to thank Mr. Wilson and his staff of loyal teachers for their kind support of our organization and their unlimited willingness to take part in our programs when called upon. The very enlightening demonstration of class work given at our April meeting evidenced our school's fine spirit of co-operation.

"A word of special thanks is due Miss Fricke for her faithful leading of our P. T. A. singing, which is a new feature in our work this year. She has taken this responsibility very willingly and carried on in a most pleasing manner. Also, much thanks is due Mrs. Perishich for her work at the piano.

"Our share in the Summer Reading Club work was very gratifying and we were pleased to work with our Community Library in awarding prizes to the children who completed their courses in the club. We thank Mrs. Wood and Miss Church for their untiring efforts in this work.

"We are glad to report that seven T. A. and one attended the county of our members attended the South-eastern district convention of the P. convention. There were a number of other meetings at which our association was represented. And, we are pleased to report, that we were able to do this without drawing upon the funds of our association.

"Another feature of our work of which we are justly proud is our summer round-up campaign under the competent leadership of Mrs. Van Auken. Here, let me report that the Narberth P. T. A. is the outstanding association in the county, being the only association which has satisfactorily carried on this work in the county this year.

"The starting of a new study group under the leadership of Miss Pray is another enterprise of which we are quite proud. This interested group of mothers held their first meeting in the home of Miss Pray on January 22, at which time they decided to meet every other week, but, because of their great interest, this group has been averaging one meeting a week.

"And, of course, a very noteworthy movement on the part of our association was the changing of our name from Mothers' Council to Parent-Teacher Association, which meant that, at last, a father might be regarded as a parent and become a member of the group which is vitally interested in the welfare of his child.

"One of the most outstanding programs of the year was the one of which the fathers took complete charge. Our 'Fathers' Night' program was a huge success and, in spite of a number of counter attractions, was very well attended, a wonderful spirit of good-will being carried all through the meeting. Many thanks to the fathers for their fine program, of which Mr. Davis was chairman.

"Last, but by no means least, our committee chairmen must be commended for their hearty and willing co-operation, as well as our splendid corps of officers. Without the even pulling together of this group such a splendid year's work could have never been accomplished. I should like to mention their names that due credit might be given them. Miss Bishop, vice president; Mrs. Schock, secretary; Mrs. Patton, treasurer; Mrs. Nordblom, who carried on a membership-hospitality committee with the help of a group of willing grade-mothers; Miss Pray, program; Mrs. Loops, publicity,

The Republican Ticket

The voice of the people has been heard. (It is always "the voice of the people" that decides elections, according to the winners, despite what other elements may have entered into the final result.) In the case of the heads of the State ticket, Davis for U. S. Senator and Pinchot for Governor, personal popularity proved the big factor in the decision of a plurality of voters. Both are men with strong and pleasing personalities and will prove a hard combination to beat by either a Democratic or "wet" ticket. Grundy's defeat is somewhat regretted in these quarters as he is proving an excellent representative for Pennsylvania, but his probable successor, James J. Davis, is an able man of national prominence.

Our representative in Congress, Henry W. Watson, who was unopposed for the nomination, is assured of re-election for probably as many terms as he cares to serve.

In the county, comfortable majorities returned for the Johnson organization candidates indicate that the citizenry is still loathe to entrust the governing duties to independents regardless of their personal qualifications. A particularly severe rebuke was given to G. Paul Sheeder, who was defeated 2 to 1 by the county Republican leader, Charles Johnson, in the State Committee contest. Confidence was also shown in First District Assemblyman Fred C. Peters, who was nominated on a 2-to-1 basis.

While the results are, of course, not entirely pleasing to more than about half of the voters in this section, nevertheless it must be admitted that the county is assured of no change in its policies for another four years.

The many friends of Mrs. Margaret G. Town in the borough may take considerable satisfaction in the fact that in her contest for State Committeewoman, although being defeated, she polled a higher vote than any other independent.

JESS—IN FUN

The Movies vs. the Talkies

In fine salons we see many sculptured objets d'art, a bronze horse, a naked child, a graceful Grecian head in marble. It is conceivable that the owners could easily install instead a stuffed horse from the taxidermist's, a child of perfection from the Health Institute and a well-formed head from the morgue. Our art galleries are filled with portraits and landscapes. The camera easily surpasses Rembrandt in faithfulness to detail. Color photography is much more accurate in reproducing natural colors than any painter. Yet the possessor of these objects d'art does not choose to replace them. Why not? It is because sculpture and painting are art. They are not intended to be reality. They are the products of one imagination for the edification of other imaginations. Life is commonplace, reality is vulgar, in juxtaposition to these works of art. That is why our Rembrandts and our Rodins are not replaced.

The movies were art. They provided pleasant exercise for our imagination. They removed us from reality. By the addition of the factor of sound, the pictures approach appallingly close to reality. While smell has yet to be practically achieved, the talkies leave scarcely anything to the individual imagination. Noise, depth, color, are on the screen. Instead of relaxation, a refuge from the bustle and clamor of street and office, and a sanctuary from the roughness and noise of reality, the cinema of today offers us only the glare of bands and the blush of blondes. The magnates of the industry have made up their minds to drag stuffed horses into their salons, and to replace their Rembrandts with rotogravures.

When I want symphonies, there are concert halls. When I want vaudeville, there is still a limited vaudeville stage. When I want plays, there is the legitimate theatre. But, alas, when I wish to see a real moving picture, I can find none. My sole comfort is the reflection that I cannot recall a single instance in which a dealer made a profit by ripping his Rembrandt from its frame and trying to get more than a Rembrandt price for a photographic imitation.

The genial postmaster at Narberth looks out for his philatelic friends. And Bala-Cynwyd has sold a great many of the new commemoratives; each purchase going out in a shiny glassine envelope. Four out of five don't even hesitate at the Montgomery Avenue stop-signs. The fifth sees the cop. One of these fine days the cop will accidentally see the other four. The Littlekisses have a new dog, a police pup. Suggestions as to his education will be appreciated, although Harvard has been tentatively selected. I like that fine old coach that moves regally along the Pike of a morning with prancing horses and tooting horns. And I like those great open spaces around Wynnewood Station. If only a few of our local millionaires could see their way clear to purchase the property for a Main Line Park! We have any other suburban district in the country licked a hundred ways for natural beauty; but we must see that we preserve it.

Confidence

A playhouse that can sat-
isfy the same people,
many of them coming
from afar, week after
week and year after year
is more than just a the-
atre; it's a community
asset!

Many people find in the
Egyptian their chief
source of year-round re-
creation.

We know a number of
families who plan to go
to the Egyptian at least
once a week. "Movie
night" is an extremely
enjoyable event to them.

We appreciate this confi-
dence.

Personal contact with our
patrons has taught us the
kind of entertainment to
provide. A growing
patronage attests this
judgment.

This Friday and Saturday
we are offering "Danger-
ous Paradise" with Nancy
Carrol, Warner Oland
and Richard Arlen, with
a new Laurel and Hardy
comedy added. Monday
and Tuesday comes "The
Phantom of the Opera."
Next Wednesday and
Thursday, "Burning Up,"
with beautiful Mary
Brian; and for next Fri-
day and Saturday one of
the most discussed films
of the year, "The Lost
Zeppelin."

Attractions to be pre-
sented in the near future
include "Montana

ford; "High Society
Blues," "Roadhouse

the latest outstanding
successes.

Lower Merion High to Graduate 209

Commencement Set for June Sixth; Class Day to Be the Fifth.

Two hundred and nine students or upwards will be graduated from Lower Merion Senior High School this June, it was announced in the report of Superintendent S. E. Downs to the Board of Education at their regular meeting on Wednesday night of last week.

This class will be slightly smaller than last year's class of 226, which was the largest in the history of the school. The commencement exercises this year will take place on Friday, June 6th, and will be of a shorter duration than usual. Class Day exercises will be observed at 10 A. M., June 5, when the president of the Board, William L. Austin, will deliver his annual address to the entire student body.

The recommendation that Constance McChesney be awarded the four-year Bryn Mawr Scholarship was approved by the Board. Miss McChesney, the

daughter of Mr. and Mrs. Howard H. McChesney, of 411 Bryn Mawr Avenue, Cynwyd, is valedictorian of the graduating class.

In the announcement of curriculum changes for next year it was stated that a two-year elective course in Italian would be available to students of the junior class, provided a sufficient number elect the language.

100 Girl Scouts Stage Outdoor Cooking Contest

One hundred Main Line Girl Scouts participated in a cooking contest in woods within hiking distance of Ardmore Station, Saturday, May 10. Prizes were awarded.

Fourteen patrols took part, each building a fire and cooking a meal. Afterwards they were judged as to their method of fire-building, their cooking and the way they cleaned up their site. No two cooked the same thing, and two patrols—of the Ardmore Troop—used no utensils whatever.

The Star Patrol of the Ardmore Troop—Mary Cornman, patrol leader, won the cooking contest prize, a Scout hatchet. The meal was a "one-pot" affair, of "Spanish Rice." The observation and nature prize, a frying pan, was won by a patrol of Cynwyd Troop No. 94, of which Margaret McGeorge is patrol leader.

The prizes were awarded after supper around a huge campfire. An impressive ceremony followed the presentation. It was enacted by four of the recently made Golden Eaglets and Captain Beatrice Tees, of the Wayne Troop, a Golden Eaglet of long standing and splendid work. Those taking part besides Miss Tees were: Christine Mahl, of the Ardmore Troop, and Emma and Esther Croasdale, of the Cynwyd Troop.

Mrs. Henry Booth, Jr., of Ithan, Lieut. of Haverford Troop No. 120, was in charge of the affair. Mrs. Nelson A. Warwick, of Ardmore, Chairman of the Main Line Leaders' Association, was an able assistant.

Garden Nurseries Owner Institutes Group Insurance

Anton E. Wohler, proprietor of the Garden Nurseries, Narberth, has just recently effected through the Travelers' Insurance Company, Hartford, Conn., a co-operative plan of group life insurance totaling \$56,000 and including fifty-six employees.

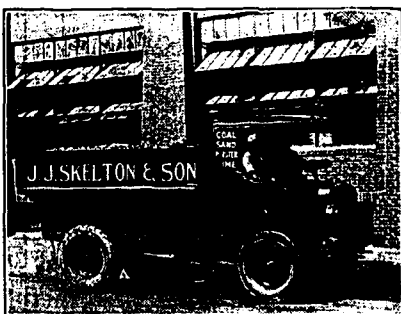

All employees are protected for \$1000 each, the cost to them being forty cents a month. The remainder of the premiums, which is a substantial amount, is being contributed by the nurseries. The plan, negotiated by George A. Mahl, makes all employees of the Nurseries eligible for the life insurance, new employees becoming eligible on the date of their employment.

Employees included in the plan at the time of adoption were insured regardless of age, sex or physical conditions, inasmuch as medical examinations were not required by the Travelers. The same provisions will apply to new employees of the company who become eligible in accordance with the stipulations of the policy.

In addition to the life insurance protection, employees of the nurseries also are protected under an accident and sickness policy, which provides weekly payments for a specified period in the event of total disability due either to sickness or accidents suffered away from occupation.

To Hold Annual Banquet

The ninth annual banquet and reception of the Bishop Kenrick Council, Knights of Columbus, will be held on Tuesday evening, May 27th, at 7 o'clock, at Masonic Hall, Ardmore. Conrad's South Seas

Epic and Laurel-Hardy
Comedy at Egyptian Today

Laughs, good attendance and parents' letters of commendation continue to reward the Egyptian Theatre, Cynwyd, for its policy of entertainment at children's parties, given at 2.15 P. M. each Saturday. This Saturday's features are two: Ken Maynard in a thrilling outdoor picture—"Mountain Justice," and Laurel and Hardy in another of their diverting talking comedies—"Night Owls."

The Laurel and Hardy comedy is also being shown at evening performances this Friday and Saturday, accompanying the feature film—"Dangerous Paradise," which is a remarkably vivid and dramatic version of Joseph Conrad's south-seas novel, "Victory." In the cast are Nancy Carroll, Richard Arlen, and five capable and particularly murderous villains, including Warner Oland and Gustave von Seyferitz.

Lon Chaney in a talking version of "The Phantom of the Opera" will make hairs stand on end next Monday and Tuesday. Richard Arlen and Mary Brian will co-star in "Burning Up" next Wednesday and Thursday, when the accompanying comedy will be Charles Chase's burlesque: "The Real McCoy." Conway Tearle and a host of other stars will appear in "The Lost Zeppelin" next week-end, which will be accompanied by an Our Gang "talkie"—"Shivering Shakespeare."

Coming attractions at the Egyptian include "The Golden Cal," with El Brendel; "Montana Moon," with Joan Crawford; "High Society Blues," "Roadhouse Nights," and "Party Girl."

You can paint your house with SWP—the world's best house paint—at a lower cost than with cheaper paint. The reason for this is obvious when you know the facts.

SWP is made of the finest materials. The quality is there. We know. We've tested all kinds of paint. Its wonderful body will thoroughly cover almost twice as much surface per gallon as cheaper paint will.

Specify SWP because it costs 50% to 60% less per job than cheaper paint—because it gives best protection—because it saves repainting bills by lasting twice as long—and because it produces the most beautiful, lasting color effects. Paint now with SWP and save.

"Old-Timer" Praises Recreation Field

Suggests Additional Diamonds For Use of Small Boys of Borough.

Editor "Our Town":

With the completion of all the additions and improvements now under way at the playground the citizens of our borough should be prouder than ever of our community, and the borough government—and the Recreation Board in particular, justly entitled to the thanks of every resident. If there is a finer recreational field along the Main Line—outside of one or two of the big colleges—we don't know where it is.

The baseball field—with its resurfaced diamond, the new stand, the new fences along the first and third-base foul lines, and the rebuilt backstop—will be ready and in prime shape for the opening of the Main Line League season here next Friday—Decoration Day. It's going to be a beautiful field and it is to be hoped that whoever has charge of it will make whatever arrangements are necessary to keep it—particularly the diamond—in the good condition that it is entitled to. Fortunately there is ample space, outside of the regular playing field, for two or three additional diamonds for the boys of the community, and it will be a fine thing if the regular field—especially the diamond—can be reserved for the league and twilight games, the use of the Narberth Juniors, and any other regularly scheduled school games. Such an arrangement will keep the main diamond in good condition without depriving any of our future Lefty Groves and Al Simmons from playing to their hearts' content, as they are entitled to do, on the other diamonds.

The new tennis courts back of the Community Building will soon be

ready. The shaded ground along Windsor Avenue will as usual serve its purpose as a play space for the younger children. Ample space will provide playing fields for the bigger boys, and the main diamond and field will be available for all regular games.

Surely Narberth has no finer or more worthwhile feature than its playground. Nothing is too good for it—for it serves one of the best sides of all the residents—juveniles as well as adults—and nothing should be left undone that will keep it in the finest possible condition. Once more, thanks to the men and women whose foresight made this fine tract of land available for the splendid work that it is now doing.

"OLD-TIMER."

Narberth School Notes

Children who are five years of age on or before January 31, 1931, will be eligible for the Narberth Kindergarten next fall, it was decided at the May meeting of the Borough School Board last Friday night.

Children who are six years of age on or before January 31, 1931, will be eligible for the first grade, it was also announced.

The resignation of Mrs. Ruby Perishich as Sixth and Seventh grade teacher in English was accepted by the Board.

The next meeting of the Board, the final meeting until fall, will be held on June 6. The schools will close on June 13.

Berwyn Opens League With Win Over Paoli

Media Downs Brookline in Other League Opener.

NARBERTH WAS IDLE

Danny Redmond's Berwyn baseball team got off to a favorable start in Main Line League competition last Saturday when they trounced the Paoli Club in a grudge game, 8 to 3.

The Paoli team, which is made up of players formerly of the Berwyn nine prior to 1928, entertained the fairly large crowd in a tense combat of the diamond, assaulting each other with a bevy of base blows in the waning sessions of the fray which proved to be the climactic point of the contest.

Media, who surprised by downing the Brookline Club, went into a deadlock with Berwyn for first place. The Narberth champions were idle as a result of the odd complement which constitutes the present Main Line circuit, five clubs being represented instead of four as of last season.

Berwyn went scoreless for four innings, but then counted in every frame except the sixth in a tremendous barrage of base blows. Baker got on from a blunder, McMonigle strolled, but was immediately forced off second on Trost's bid for a single, Verna to Larkin. Shank singled to score Baker for the first point.

Wagner fell on strikes to start the seventh, and Baker doubled. McMonigle clicked a speedy single which permitted Baker to cross, but was again run down when forced at the keystone,

Larkin to Thompkins. Shank beat out his bingle to first, Trost counting, and skipped over the pentagon on Doyle's one-base ply.

After six drowsy innings Paoli managed to enter the scoring column, making a feeble rally for victory by sending a man over the disc in each of the subsequent periods.

Successive bingles by five Berwynites in the eighth elevated the score to seven runs and disheartened the adversaries, who were by this time playing a losing game. Redmond tallied the last point in the finale when he made his way to first on an alien error and counted off Wagner's single.

Mr. Robert J. Sigel, son of Mr. and Mrs. A. J. Sigel, of Forrest Avenue, was selected as honorary member of the Friars at Tap Day which was held at Penn State College on Tuesday. Mr. Sigel is a member of the Alpha Sigma Phi and a graduate of Lower Merion High School in 1929.

Library Notes

The Narberth Community Library has many faithfully generous friends. The Literature Group of the Women's Community Club has for a number of years made an annual gift to the library. Previously it has been allotted to the children's section and used for especially attractive editions. This year, under the inspiration of the recent exhibition of Miss Cowin's paintings, the group has asked that its contribution go towards the purchase of a picture to add color to the walls of the library room. This is a delightful thought. Should others be moved to add to the amount, the library will be able to present a kind of decoration unusual in institutions of its size.

Population of Township Increases 47 Per Cent

The population of Lower Merion Township, as shown by a preliminary count of the returns of the Fifteenth Census as of April 1, 1930, is 35,118, as compared with 23,886 on January 1, 1920. The increase in the ten-year period is at the rate of 47 per cent., or 1123 per year. Forty-four farms were enumerated in the township. Monroe H. Anders, Ardmore and Norristown attorney, supervisor of the census for the Twenty-second district of Pennsylvania, states that the 1930 figures are preliminary and subject to correction.

Eagle Eyes Prominent at Foul Shooting Contest

Lower Merion Junior High School held the first of what is expected to be an annual basketball foul shooting contest, last week at the Junior High gymnasium. There were three classes of entries, each class being for both boys and girls competing separately. The Senior High entered ten boys and ten girls, the Junior High the same number and the grade schools were limited to three boys and three girls from each school.

Al Bonniwell won the senior high group first prize with a total of 45 of 50 possible shots. John Pennypacker was second with 40 of 50 and Jimmy Bradford came in third with a score of 36. Anastasia McNichol, Louise Cross and Jo Baker took the prizes for the senior high girls.

The winners of the Junior High Class were Bob Stanley, Bob Ramsey and Fred Henry among the boys and Kay Megee, Mary McAllister and Edith D'Amora. The grammar school entries who won out were Clair Richardson and Andrew Burns from the Merion school and Will Trimbur from Ashland. The girls were Florence Henry, Rachel Fiano and Alice Keylor.

A gold medal will be given to the winner of each first place in each group both boys and girls. Second place will win a silver medal and third place a bronze medal.

Physiotherapy Departments Opened by Hospital

Endeavoring to fill every need of the community which it serves the Bryn Mawr Hospital has opened, during the past week, a completely equipped Physiotherapy Department.

The new department is under the supervision of a competent physician and an expert technician is on duty at all times. The department will be open from nine to five o'clock daily and from nine to twelve o'clock on Saturdays.

More than \$5000 worth of equipment has been installed to give complete heat, light and electrical treatments, including ultra violet ray, infra red ray, electric cabinet baths, internal heat apparatus as well as some hydrotherapy equipment.

Merion Park Transfer

An English design house, stone, half timber and stucco construction, with variegated slate roof at 530 Putnam Road, Merion Park, has been sold for P. Beccia to George Hansen by Chandler and Rankin. It was held for sale at \$37,500.

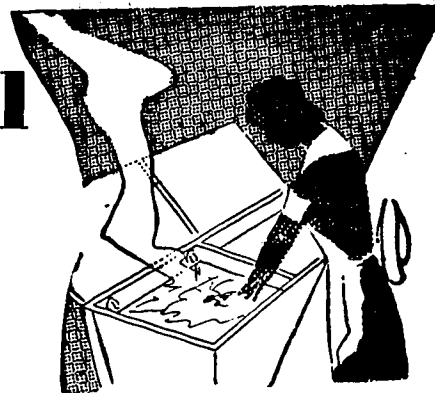

Marriage Date Set

The marriage of Miss Alice Kennedy Heller, daughter of Mr. and Mrs. Clyde A. Heller, of Putnam Road, Merion Park, and Mr. Edwin Clinton Longwell, son of Mrs. Charles Griffin Myers, of Philadelphia, will take place on Thursday, June 5, at six o'clock in the Memorial Church of St. Paul, Overbrook.

Juniors Entertain at Garden Party

Charming Costumes Feature Delightful Party in Nash Garden.

THREE WIN PRIZES

The Junior Section of the Women's Community Club of Narberth entertained the Executive Board of the Senior Club at an old-fashioned garden party and bridge last Saturday afternoon in the garden of Mrs. Robert J. Nash. In this setting, a charmingly costumed group met, most of whom had donned the garbs of their great-great-greats for the occasion. It might be mentioned that one or two came in their own wedding gowns, which, of course, could not be called antediluvian, but were nevertheless quaint enough to fit in with the spirit of the party.

A grand march began the festivities, and three awards were made for costumes. After much deliberation, a group of judges pronounced the winners. For presenting the most pleasing picture in the Senior Group, Mrs. Faith Farmer, in white satin gown, empire style, with poke bonnet trim-

med in rosebuds and plumes, took the honors. From the Junior group, Miss Virginia Burgstresser was chosen. Her costume was very lovely; of cross-grained pink silk, it was quite décolleté, with a long sweeping train, and with it she wore a rich black lace scarf. For the girl costumed most truly to type, Miss Marion Marshall was selected from the group as a whole, and her quaint basqued model certainly suited her petite brunette style. Topped by a pocket edition of a bonnet tied coquettishly under her chin, she presented a real picture of a "little lady of the times," as the chairman of the judges termed it.

We wish that space permitted a full description of the interesting costumes worn. The few who did not "dress up" regretted it, for the picturesque scene made everyone rather envious of "other times, other days."

The rain obligingly stayed away until bridge on the lawn was over, and though a few drops began to fall upon the lavishly spread tea table, it was no enough to dim the pleasures of the delicious repast served. Mrs. Robert Nash was presented with a pewter bowl in appreciation of her extending the hospitality of her house and garden. The party was the thought of Mrs. Ellsworth Clarke, program chairman, who was ably assisted in carrying out her ideas by her committees and chairmen, among whom were Misses Marian Marshall, Dorothy Marshall, Margaret Burrell, Julia Fittipaldi, Virginia Steinfeld, Alberta Davis, Mrs. C. D. Goodwin and Mrs. James D. Moore.

Many snapshots were taken of the girls in "bright array" and even some "movies" which will help to picture for those who missed it what a "reel" time was had.—J. G. M.

Banking House Provides Special Telephone Service

An innovation in banking and brokerage service to customers has been provided by West & Co. in the

form of telephone service from Main Line points to their offices at 1511 Walnut Street. This service is without charge to customers. By arrangement between the bankers and the Bell Telephone Company anyone living within the area covered by the Ardmore, Bryn Mawr, Cynwyd, Merion, Narberth telephone exchanges can call West & Co.'s office by simply giving the name of their exchange and the number 68,500 and will not be charged for the call. This is the first time such a plan for reversal of telephone charges has been made by a banking house.

"Time Out"

By Tommy Macklin

Colson "Ace" Hillier, star pitcher of the Penn Charter School, twirled a no-hit, no-run game last Friday, against Germantown Academy in an Inter-Academic league game. This is the second time this has happened in the schoolboy league this season. Montgomery School was held hitless and runless by Tabor Grange, of Chestnut Hill Academy, a couple of weeks ago.

Hillier fanned ten men during the seven-inning game.

While the game was not a nine-inning affair, the league is playing only seven innings, and the unusual feat means just as much to the pitcher as if it were the full distance.

The only no-hit, no-run game turned in at Lower Merion High in the last ten years, was turned in by Derry Fuller five years ago. Derry held Gloucester City, New Jersey, hitless and runless in a seven inning contest.

Lower Merion won the game 5 to 0, the same score that Hillier and his teammates finished with last Friday against Germantown.

Friends' Central took a game from Montgomery School 9 to 6 last Friday. Episcopal conquered Haverford School 10 to 6, although out-hit 9 to 8.

Chestnut Hill maintained their lead by trouncing Germantown Friends' 14 to 1.

Dick Sigel broke the school record last Saturday at the P. L. A. A. district meet held in Easton, Penna., when he hurled the discus 127 feet 1 1/2 inches. Egg Morris held the former school record of approximately 123 feet.

This heave of Sigel's was two feet better than the Lafayette College discus record. When you realize that Morris won the Penn Relay event with a distance of 134 feet some inches, the more one can appreciate Dick's achievement.

Andy McLaughlin and Perk Scott are taking care of the javelin event for Coach Adam this year in good order. They are both hurling the steel-tipped shaft better than 150 feet consistently.

Villanova College won from Mount Saint Mary's College Tuesday afternoon, on the College field, by a 7-to-1 score. Hillen pitched a good game for the Main Liners.

Henry Gane's fine catching for coach Cocklin since his return to the lineup has been responsible for the

wins that the team has turned in. Pitchers Keith Parks and Herb Thomas threw them up with much more confidence when red-headed captain is receiving.

Gane and Joe McCahon are the two best catchers Lower Merion has had since Buck was a young colt. Joe is varsity receiver for Temple University at the present.

Large Wet Vote is Polled in Borough

assembly candidate, also outstripped his organization opponent, Fred C. Peters, Ardmore, winning 550 to 402.

In the contest for the state committee, Mrs. Margaret G. Town and G. Paul Sheeder were the winners in the borough, Mrs. Town polling 507 and Sheeder 494. County organization leader Charles Johnson ran third with 321 votes; Mrs. Mary V. Brown, a last minute candidate espoused by the wets, came in fourth with 251 votes and Mrs. Mary Ackerman last, with 241.

The only contest for committee posts occurred in District No. 2, where George Schroder beat out Harold Lippincott and Mrs. Carrie R. Douglass won over Miss Mary Simpson by a scant margin. The vote: Schroder, 233; Lippincott, 176; Douglass, 206; Simpson, 198.

In the first district, Charles V. Noel and Mrs. E. H. Cockrill polled 243 and 237 votes respectively. While a scattering of other names were written on the ballot, none received more than two votes.

In the third district, William H. Fretz received a complimentary vote of 200 and Mrs. Margaret Griswold 192.

The Democratic vote, which was practically a negligible factor, gave Anton Emil Wohler, candidate for the State Assembly, a total of 66 votes. Joseph H. Golden, Bala, Democratic candidate for State Senator, polled only 9 votes in the borough.

Horticultural Hobby Now Cynwyd Business

What eight years ago was merely a hobby of a Cynwyd resident has become a flourishing business. The facts have transpired as a result of the

establishment of the Dreamwyld Florist Company, at 288 Montgomery Avenue, Cynwyd, near Old Lancaster Road, Merion.

Myron L. Upham began his cultivation of flowers as an amateur, about eight years ago. At his home, State and Mary Watersford Roads, Cynwyd (now termed Penn Valley), he gathered a beautiful collection of rare blooms, including cactus; also, by the way, an aquarium with an unusual variety and quantity of goldfish.

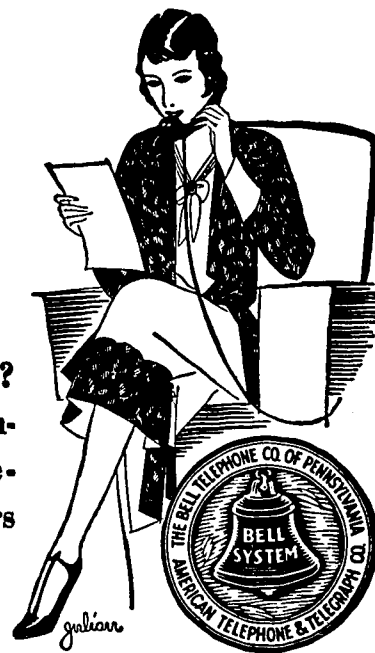

As the collection increased, it be-

came necessary to use more ground and build larger greenhouses. From that it was only a step to selling the plants and fresh cut flowers at the greenhouses at State and Mary Watersford Roads, where part of the business continues. Further expansion of the business came this month, when the new florist establishment was located in Cynwyd's Montgomery Pike business section.

Narberth Juniors vs. Southwestern

Harry Hollar's Juniors defeated Southwestern in a one-sided affair in which Burgess' pitching, R. Torchiana's hitting, and the all-around brilliant fielding of the entire Junior nine proved helpful to the 6-0 victory.

The Juniors have been playing first class clubs, but feel that they have not been receiving the loyal support of the Narberth fans and would be pleased to see a larger turnout. The Juniors play twilight games every Tuesday and Thursday evenings at home. Saturday games will be played at home at 3.15 only when the Narberth Club is playing away. This Saturday the Juniors play Pierce A. C. at home. Come out and help the young boys of the town for after all they are the future Narberth team.

Three Parties Split Victory in Township— Assemblyman Peters Leads Field in Vote

**Bohlen-Phillips Carry Lower
Merion; Ludlow Ahead;
Good Vote for Johnson**

Chaos which reigned in the recent political campaign was not clarified by Tuesday's Republican primaries so far as Lower Merion township is concerned. Partial victories are claimed by the Johnson organization, the "wets" and the "dry" independents in this section.

Outstanding is the fact that the two "wet" candidates, Francis H. Bohlen, of Haverford, for U. S. Senator, and Thomas W. Phillips, for Governor, carried the township. Bohlen, with a total of 2592 votes, had a plurality over Senator Grundy of 29, with Davis only a fair third with 1440. Phillips, not having to face the local organization support for a candidate as Mr. Bohlen did against Mr. Grundy, piled up a lead of 924 over Francis Shunk Brown. The vote was: Phillips, 2961; Brown, 2037; Pinchot, 1628.

Other feature developments were:

Assemblyman Fred C. Peters led his ticket in the township, receiving 4350 votes to Maurice W. Sloan's 1645.

Mrs. Margaret G. Town, Narberth independent "dry," was 346 votes ahead of Mrs. Mary Ackerman, organization candidate, for the post of state committeewoman, and had nearly twice as many votes as her "wet" running mate, Paul Sheeder, who was swamped for the committeeman place by county leader Charles Johnson by a 2-to-1 vote. The vote: Town, 2516; Ackerman, 2170; Johnson, 3258; Sheeder, 1583.

In the state Senate fight, the three candidates, James S. Boyd, Benjamin H. Ludlow and Burd P. Evans, ran in the same order that they did in 1926, with Evans the only one to make even a slight gain in the final tabulation.

In 1926 the vote in Lower Merion and Narberth was: Ludlow, 4056; Boyd, 3362; Evans, 833.

Last Tuesday's results were: Ludlow, 3519; Boyd, 2887; Evans, 905. With a lighter vote this year than four years ago, Evans showed a gain of 72 votes, while Ludlow's comparative lead over Boyd was about the same. Evans, however, ran so far behind the Bohlen-Phillips ticket that this numerical gain can scarcely offset the larger loss of prestige.

Discus Decides Meet

J. Howard Morris, captain of the Haverford College track team, brought victory to coach Haddleton's Main Line cinder artists last Saturday, when he won the discus throw, the last event of the afternoon. To his teammate, Bob Fields, should go a good share of the credit, as he took third place in the final discus event, making the additional point necessary to make victory possible. The Main Liners nosed out the Garnet by two-sixths of a point. Swarthmore took eight first places to Haverford's six.
